

Dark Variant Demo

Same Features, Dark Mode

Your Name

Your Institution

January 09, 2026

Dark Mode Benefits

When to use dark variant

- Better for dimly lit venues
- Reduces eye strain for extended viewing
- Modern, sleek appearance
- Works well with all three color themes

Configuration

Simply set `variant: "dark"` in your theme configuration.

Box Components in Dark Mode

Alert

Warnings adapt to dark backgrounds.

Example

Examples remain readable.

Themed Block

All components automatically adjust their colors for dark mode.

Focus slides look great in dark mode
